What is MOPS?

MOPS is a program designed to encourage mothers with children ages infant through kindergarten. We provide a caring, accepting atmosphere where moms have an opportunity to share concerns and wisdom, acquire knowledge on topics including parenting, marriage, home organization, faith, and more.

A typical meeting includes breakfast, a devotional, small group discussion, and a speaker, video or community service project.

During our meetings, children attend MOPS Kids, a loving program offering quality faith based childcare with crafts, stories, songs, and games. It is divided into 3 rooms- nursery, toddlers, and preschoolers.
