LIBRARY CORNER

Everyone loves to laugh! There’s nothing more delightful than the laughter of a child, whether young readers enjoy reading about animals, families, adventures or just trying out silly tongue twisters. Many of our books tickle their funny bones and keep them reading! Pick up a cute piggy and elephant book or get a David Gets in Trouble book and see what happens . . . you may get a smile yourself! We have new friends in the library this year, our puppets Lucy and Ricky are full of surprises! This week we learned to use our hands for helping others.

TRUNK OR TREAT IS COMING!

Halloween is almost here and that means it’s time for Immanuel’s annual Trunk or Treat. Friday, Oct. 28th from 6-8 pm join us for a night of fun and fellowship. There will be pumpkin decorating, face painting, concessions, games, a Bible message, and voting for the best decorated trunk. Costume or no costume, plan to come and learn about letting your “Faith be Bigger than your Fear”. Candy donations will be accepted in the church and school office. If you are interested in volunteering or providing a decorated trunk, please contact Laura Gilleland at lgilleland@immanuelcl.org.

Please come and cheer on our mighty Panthers as they use their God-given talents for exercise and fun. School aged spectators must be in the company of their parents or assigned adult. Thank you for your understanding and cooperation.

MONDAY MORNING BIBLE STUDY

Everyone is welcome to dive deep into our Bibles to study David. David was a man of God but with many trials of his own.

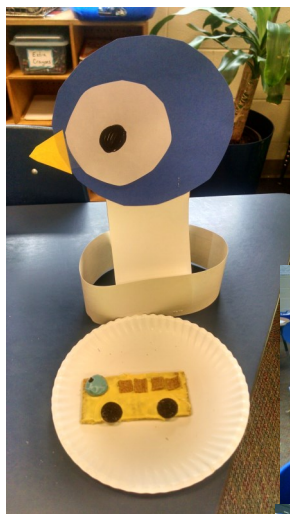

Class meets every Monday school is in session in the library from 7:50 am—9 am beginning Monday, September 12. This is a perfect Bible study to attend right after school drop off!

OPERATION CHRISTMAS CHILD

Don't forget to save your empty shoeboxes from back to school shopping for Operation Christmas Child. Now is also a great time to pick up some extra school supplies to fill up the boxes. More information will come in the following weeks, so keep checking the announcements. Last year we packed 211 boxes, how many can we do this year?

NEWS FROM 1ST GRADE

Pictures from our Pigeon Party - Mo Willems was our author of the month for September. During our party we made pigeon hats, wrote about things the pigeon would say to get out of taking a bath, and made edible buses!

We are working with our new Superkids Reading Curriculum. The story was read to them online while students followed along in their own books.

4TH GRADE STEM CHALLENGE

During science class, our 4th graders experimented with a unique STEM (science, technology, engineering and math) challenge.

Using only a rubber band and string, the students were to stack the plastic cups together. No hands were allowed!

When you see one of the 4th graders, ask them how they did with their challenge.

Nearly 225 Clinic host volunteers are needed to guide and welcome over 350 guests. Please drop off gently used coats at the office. You can sign up to help at www.immanuelcl.org or email

Bob Dorn at rdorn@immanuelcl.org.

LOCKDOWN DRILL

This Wednesday, October 5, the Crystal Lake Police Department will be on site to conduct a state mandated Lock Down Drill. The scenario would be that there is an intruder in the building and students and staff are to take cover and stay completely out of site behind locked doors. This is just one of several drills which are conducted throughout the school year. We have already had 2 evacuation drills (one observed by the Crystal Lake Fire Department) and a bus evacuation drill conducted by the District 47 & District 155 Transportation cooperative. Later on in the early spring, we will conduct a severe weather drill as well.

5TH GRADE BELLS

This Sunday during the 11:00 worship service, our 5th grade bell choir will be participating in the worship service through their playing.
