Tuition Agreement

In consideration of the registration fee of \$ _____, we the parents or guardians of _____ agree to pay the yearly sum of \$ _____ for tuition for the 2018/2019 school year in (10 or 12) equal monthly (Sept 2018 through June 2019 or July 2018 through June 2019) installments. The monthly tuition is due on the 1st of the month and collected through Smart Tuition. I further understand that an annual \$48 Smart Tuition administration fee will be added to my first month's tuition. I can opt out of enrolling in Smart Tuition and therefore avoid the \$48 fee if my entire yearly tuition amount is paid in full by September 1. I understand that registration fees are nonrefundable.
